

**Atlantic Bank Ltd. partners with the
Belize Cancer Society & Buttonwood Bay Medical Center
to offer essential medical assistance to individuals battling cancer.**

Belize City, February 16, 2024 - Atlantic Bank Ltd. proudly announces its collaboration with the Belize Cancer Society and the Buttonwood Bay Medical Center to 'Close the Cancer Care Gap' and provide Belizeans with vital medical services in the fight against cancer.

In line with its community welfare and health initiatives, on Sunday, February 4th, 2024, Atlantic Bank handed over to the Belize Cancer Society 100 coupons at a total value of \$15,000 in medical services. This generous donation will alleviate the financial strain and support 100 individuals with much needed access to lab and radiology tests, and doctor consultation in the effort to treat and prevent this disease. These coupons will be distributed by the Belize Cancer Society and individuals will be able to access much needed medical services at the Buttonwood Bay Medical Center.

Atlantic Bank takes this opportunity to encourage everyone to maintain an active lifestyle and adopt a balanced diet for overall health and well-being. The Bank also highlights the significance of collective efforts in raising awareness and combating the disease through early detection and reducing the disparity in access to health care. It is a privilege to collaborate with the Belize Cancer Society and Buttonwood Bay Medical Center to provide meaningful support to individuals and families fighting this disease.
