

## Atlantic Bank Unveils New, Modern Belmopan Branch

**Belmopan, Belize** – Atlantic Bank is proud to announce the official opening of its newly relocated Belmopan Branch at the Corner of Constitution Drive and Forest Drive, which welcomed customers on June 24, 2025. Now operating from a larger and more modern facility, the branch is designed to offer an enhanced banking experience and to better meet the evolving needs of customers in the growing capital.

The new location is a significant investment in the Bank's future and a reflection of its continued commitment to excellence for both staff and customers. The facility features improved customer service areas, upgraded technology, and a more spacious environment — all aimed at delivering better service and greater comfort.

"The opening of our new state-of-the-art Belmopan Branch marks a proud milestone in Atlantic Bank's journey to Be Better for the communities we serve," said Gregory Maheia, Managing Director of Atlantic Bank. "This strategic investment not only enhances our ability to deliver exceptional service to our customers, but also reinforces our operational resilience—housing our advanced three-tier Disaster Recovery Center. As we grow, we remain deeply committed to innovation, security, and excellence, always striving to Be Better in every way."

A key feature of the new branch is its role in supporting the Bank's business continuity capabilities. The facility houses a fully operational three-tier Disaster Recovery Center, designed to ensure that Atlantic Bank can continue serving customers without interruption in the event of unexpected disruptions. This addition highlights the Bank's commitment to resilience and long-term service reliability.

The relocation of the Belmopan Branch also reflects Atlantic Bank's forward-thinking approach—investing in spaces, systems, and solutions that create lasting value for customers and communities alike. With this new facility, Atlantic Bank is well-positioned to continue delivering modern, reliable, and people-centered banking for years to come.
