## Credit Cards via Business Online

Dear valued customer,

We are pleased to announce that corporate credit cards can now be added to your Business Online. This new feature offers enhanced convenience and greater control with real-time access to your account information.

With this upgrade, you will have access to conduct the following:

- **Balance Inquiry:**

View your real time available balance.

- **Transaction Inquiry:**

Review transactions that have been posted or are still pending.

- **Account Statement:**

Access your online statement to view due dates, payment amounts, and transactions.

- **Payments:**

Pay the full amount owed, either through a single payment or multiple payments within the billing cycle. Payments are applied to your account immediately.

To add your corporate credit card to your Business Online, please contact or visit your nearest Atlantic Bank branch.
