

CUSTOMER NOTICE

Dear Valued Customer,

We wish to inform you of an upcoming adjustment to interest rates for our Nest Egg and Super Savers Accounts.

Effective October 1, 2025, interest will no longer be paid using a two-tiered rate structure. Instead, all balances of \$5,000.00 or more on these account types will earn an Annual Nominal Interest Rate of 2.50% (Annual Effective Interest Rate of 2.527%).

Even with this adjustment, Atlantic Bank continues to offer some of the most competitive savings' rates in the market.

If you have any questions regarding this update or your account, please visit your nearest branch or contact us at www.atlabank.com.

Thank you for your continued trust in Atlantic Bank.
