

## Atlantic Bank Partners with Schools to Enhance Digital Learning Opportunities

Atlantic Bank Limited continues to reaffirm its commitment to education and youth development through the donation of laptops to Edward P. Yorke High School and Burrell Boom Methodist Primary School.

The donation is intended to support both students and teachers by expanding access to technology, enhancing digital

learning opportunities, and strengthening classroom instruction. This initiative forms part of Atlantic Bank's ongoing Corporate Social Responsibility efforts, which focus on empowering young people through education and skills development.

Atlantic Bank remains dedicated to supporting educational institutions across Belize and investing in initiatives that positively impact communities and contribute to national development.
