

Atlantic Group of Companies Proudly Supports the Caribbean Junior Road Cycling Championship

Atlantic Bank and Atlantic Insurance are proud to announce their partnership as Platinum Sponsors of the 2026 Caribbean Junior Road Cycling Championship, taking place in Belize this weekend August 22 and 23, 2026.

Belize welcomes more than 80 young athletes, coaches, and officials from approximately 20 Caribbean nations for this exciting regional competition.

For the Atlantic Group of Companies, supporting this championship is about more than cycling. It is an investment in youth, healthy lifestyles, discipline, teamwork, and excellence. We are proud to support an initiative that encourages young athletes to pursue their goals, build confidence, and represent their countries with pride.

We invite all Belizeans to come out and support the athletes. Line the roads, wave your flags, cheer loudly, and help create an unforgettable experience for these young competitors.

Let's celebrate our youth, support our athletes, and show the Caribbean the strength of the Belizean spirit!
